ARTICLE I: GENERAL PROVISIONS

Preamble

The Board of Education of the Princeton City School District (hereinafter referred to as the "Board") and the Princeton Association of Classroom Educators (hereinafter referred to as "PACE"), as parties to this Agreement, recognize that together they provide services essential to the well-being of the students in the Princeton City Schools.

1.01 Definitions

- 1.011 All references to time periods in days shall mean those days that are part of the regular member contract year. Days shall be counted commencing with the day after the initiating event as the first day.
- 1.012 A "full-time" member means a member assigned to an eight (8) hour workday.
- 1.013 A "part time" member means a member assigned to a workday less than eight (8) hours.
- 1.014 "License" or "licensure" shall be substituted for "certificate" or "certification", where appropriate.

1.02 Recognition/Bargaining Unit

- 1.021 The Board hereby recognizes that PACE, an affiliate of the Ohio Education Association (OEA), the Southwestern Ohio Education Association (SWOEA), and the National Education Association (NEA), is the sole and exclusive bargaining agent for all certified personnel employed by the Board as set forth below.
- 1.022 The group of represented employees shall be referred to herein as the "bargaining unit" and any teacher represented as a member of the bargaining unit shall be referred to herein as a "member". The bargaining unit shall be defined as including: all full and regular part-time certificated personnel including all teachers, substitute teachers holding a valid teaching certificate on a salaried regular contract basis, counselors, media specialists, nature center personnel, nurses, librarians, psychologists, speech and hearing specialists, hourly paid tutors, teachers in the pre-school, and auxiliary services teachers excluding: management-level employees, supervisors and confidential employees as defined in Ohio Revised Code (ORC) Section 4117.01, substitute teachers who are not on a salaried regular contract basis, persons who no longer hold valid certificates,

persons employed less than thirty (30) days pending receipt of background check and criminal record investigation, and all other employees.

- 1.023 The rights granted herein to PACE shall not be granted or extended to any competing labor organization.

1.03 Bargaining Procedure

- 1.031 This Agreement is negotiated pursuant to ORC Chapter 4117, concerning the wages, hours, terms and other conditions of employment for the members of the bargaining unit defined herein. The parties agree that ORC Chapter 4117 shall govern the procedures of bargaining between the Board and PACE.
- 1.032 If, during the life of the contract, issues arise which materially affect wages, hours, terms and conditions of employment, which matters were not sufficiently covered by the existing Collective Bargaining Agreement, such issues shall be addressed between the parties by collective bargaining and the parties shall bargain in good faith until impasse or resolution.

ARTICLE II: GRIEVANCE PROCEDURES

2.01 Definition of Grievance

A grievance is a claim or complaint by a member or group of members or PACE that there has been a violation of any provision of this Agreement.

2.02 Initiation and Processing

The parties agree to the following procedures. PACE and the Human Resources Director agree a grievance can be initiated at the level which the Administrator/Supervisor has the authority to resolve the grievance.

2.021 Level One is:

The grievant and/or PACE shall first discuss the grievance with his immediate supervisor, with the objective of resolving the matter informally. The grievant and/or PACE must advise the immediate supervisor that the grievant considers the issue a possible violation of the Master Contract.

2.022 Level Two is:

- A. If the grievant is not satisfied with the disposition of his grievance, he may file a written grievance. The written grievance must be submitted to the grievant's principal, or supervisor, or their designee within fifteen (15)

working days of the event causing the grievance. The written grievance must contain a full statement of the facts constituting the alleged violation. Once the grievance is reduced to writing, a PACE representative may represent the grievant. Neither the Board nor Administration will recognize any representative of any teacher organization other than PACE and its affiliates.

- B. The principal, supervisor, or designee may conduct a grievance hearing if such hearing is necessary to resolution of the grievance.
- C. The principal, supervisor or designee should communicate his decision in writing to the grievant within five (5) working days after receipt of the written grievance.

2.023 Level Three is:

Within five (5) working days of receipt by the grievant of the decision rendered by the principal or supervisor, such decision may be appealed to the Superintendent. The grievance/appeal shall include when applicable:

- A. A copy of the decision and the grounds for appeal.
- B. A copy of the grievance.
- C. The appeal should be heard by the Superintendent or his designee within fifteen (15) working days of receipt. Written notice of the time and place shall be given to the grievant and PACE at least five (5) working days prior to the hearing.
- D. Within five (5) working days of hearing the appeal, the Superintendent should communicate to the grievant his written decision. A copy of the decision shall be sent to PACE.

2.024 Level Four is:

- A. If PACE is not satisfied with the disposition after receipt of the Level Four decision, PACE may submit the grievance to Arbitration. The arbitration process shall be administered by the American Arbitration Association under its Labor Arbitration Rules. The parties agree to accept the arbitrator's award as final and binding on them unless appealed by either party to the Court of Common Pleas in accordance with Ohio Law.
- B. No grievance will be arbitrable unless PACE provides written notice of its intent to arbitrate within sixty (60) working days of the event causing the grievance.

- C. An arbitrator shall have no authority to add to, subtract from, or modify the terms of this Agreement.
- D. The time limits set forth herein shall be strictly applied. The parties may extend the time limits by mutual agreement in writing.
- E. Arbitration shall be the sole and exclusive remedy for redress of grievances arising out of any provisions of this Agreement.
- F. Both parties shall have the right to seek enforcement of an arbitrator's award in the Court of Common Pleas.
- G. The cost of the arbitration shall be shared equally by both parties. In cases where either party postpones or cancels a scheduled arbitration, that party shall pay the full cost of any rescheduling fee or cancellation fee.

ARTICLE III: PACE RIGHTS

3.01 Use of Equipment

3.011 PACE shall have the right to use and/or have access to Board office equipment, computers/e-mail, telephones, and audio-visual equipment, at reasonable times when such equipment is not otherwise in use. PACE shall have access to inter-office mail system.

3.012 PACE shall pay reasonable costs for all materials and supplies incident to such use.

3.02 Use of Buildings

Provided prior approval from the building principal, or Superintendent's representative is attained, PACE and its representatives shall have the right to use Board buildings prior to or at the conclusion of the member workday. No charge shall be made for use of instructional rooms. Use of buildings shall not conflict with other scheduled events. Approval for use of the building will not be unreasonably withheld.

3.03 Use of Bulletin Boards

PACE shall have the right to post notices of activities and matters of PACE concern on designated bulletin boards, at least one (1) of which shall be provided in each building or facility to which members may be assigned. PACE may use the member mailboxes for communication to members.

3.04 PACE/Administration Meetings

- 3.041 Regular meetings between the Administration and PACE shall be scheduled and convened to discuss matters of mutual concern. Specific grievances shall not be discussed, nor shall the meetings be considered collective bargaining sessions.
- 3.042 A committee consisting of the Superintendent or designee, and other administrative representatives (board employees) shall constitute the Administration Committee. A committee of the PACE President, or designee, and other PACE representatives (members) shall constitute the PACE Committee. Each committee may be assisted by one non-employee representative, who shall be able to fully participate in the discussion, when the committees mutually agree that an agenda item impacts upon, or requires an interpretation of, an express provision of this agreement. Participation of a non-employee representative at a PACE/Administration meeting is limited to the agenda item previously designated by the committees, as a collective bargaining contract issue.
- 3.043 Preparation of an agenda shall alternate between the Administration Committee and the PACE Committee and shall be submitted to the other committee prior to the meeting.
- 3.044 Meetings shall be scheduled on a mutually convenient date, not less than quarterly.

3.05 PACE Payroll Dues Deduction

- 3.051 Payroll deductions of the total affiliated PACE dues shall be provided at no cost to the member. Members may at any time sign and deliver to the Board an authorization form requesting payroll deduction of total affiliated PACE membership dues and assessments. Such authorization shall continue in effect until such time that said member gives written notice to the Board to discontinue such deductions or employment with the Board terminates. PACE dues will be deducted in equal amounts beginning within fourteen (14) days of receipt of the signed authorization form and ending with the May deduction.
- 3.052 All money so deducted shall be direct deposited into the PACE account. A list of employees for whom deductions were made and the amount for each said employee will be sent to the PACE Treasurer. If a member gives written notice to the Board Treasurer to discontinue such deductions, the Board Treasurer shall provide to the PACE Treasurer the names of said members at the time that said dues are remitted.

3.06 Fair Share Fee

- 3.061 The Board shall deduct from the pay of members of the bargaining unit who elect not to become or to remain members of PACE, a fair share fee for PACE'S representation of such non-members during the term of this contract. No non-member filing a timely demand shall be required to subsidize partisan or ideological causes not germane to PACE'S work in the realm of collective bargaining.
- 3.062 A list of all fee payers and notice of the amount of the annual fair share fee, which shall not be more than 100% of the unified dues of PACE, shall be transmitted by PACE to the Treasurer of the Board on or about September 15th of each year during the term of this contract for the purpose of determining amounts to be payroll deducted, and the Board agrees to promptly transmit all amounts deducted to PACE.
- A. All fair share fee payers – Payroll deduction of such fair share fees shall begin at the second payroll period in January except that no fair share fee deductions shall be made for bargaining unit members employed after December 31st.
 - B. Upon termination of membership during the membership year, the Treasurer of the Board shall, upon notification from PACE that a member has terminated membership, commence the deduction of the fair share fee with respect to the former PACE member, and the amount of the fee yet to be deducted shall be the annual fair share fee less the amount previously paid through payroll deduction.
- 3.063 The Board further agrees to accompany each such transmittal with the list of the names of the bargaining unit members for whom all such fair share fee deductions were made, the period covered, and the amounts deducted for each.
- 3.064 PACE represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09 (C) of the Ohio Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join PACE and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.
- 3.065 Upon timely demand, non PACE members may apply to OEA for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by OEA/ PACE.

3.066 PACE, on behalf of itself and the OEA and NEA, agrees to indemnify the Board for any cost or liability incurred as a result of the implementation and enforcement of this provision provided that:

- A. The Board shall give a ten (10) day written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed;
- B. PACE shall reserve the right to designate counsel to represent and defend the employer;
- C. The Board agrees to:
 - 1. give full and complete cooperation and assistance to PACE and its counsel at all levels of the proceeding,
 - 2. permit PACE or its affiliates to intervene as a part if it so desires, and/or
 - 3. to not oppose PACE or its affiliates' application to file briefs amicus curiae in the action;
- D. The Board acts in good faith compliance with the fair share fee provision of this agreement; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or intentionally or willfully misapplies such fair share fee provision herein.

3.07 PACE Leave

3.071 The Board shall grant as PACE leave a total of thirty (30) paid working days to be used by one or more members for the purpose of attending a PACE convention, meeting or conference.

- A. Unused PACE leave days shall accumulate from year to year to a maximum of forty (40).
- B. A member requesting to use PACE leave must first notify the president and then notify the principal, or the Human Resources Department, at least ten (10) days prior to the date of such leave or as soon as possible.
- C. For each teacher who is absent on PACE leave for one (1) day, one (1) day's leave shall be subtracted from the balance of PACE leave days until all of the days have been used.

3.072 Additional time may be granted only with the approval of the Superintendent.

3.08 Bargaining Unit Seniority List

- 3.081 PACE shall be provided three (3) copies of a list of all members' names and addresses by November 1 of each year.
- 3.082 PACE shall be provided with the names and addresses of newly appointed members within ten (10) days of employment.
- 3.083 PACE shall be provided with a copy of the member seniority list by area of certification by November 1 of every year.
- 3.084 PACE shall be provided the above specified member information on computer disk in an electronic format if available.

PACE shall have the right to appoint all member representatives to any committee established by the Board or Administration to address the wages, hours, or terms and other conditions of employment and/or any existing provision of this Agreement.

3.10 PACE Meeting Time

The first Wednesday of every month shall be considered an unencumbered day so that all members may have the opportunity to attend PACE meetings. The Board shall make every effort to keep the hours of 4:00-6:00 p.m. clear and free for such purpose. It is understood that extracurricular activities such as clubs and athletic teams are excluded from this provision.

3.11 Board Information

- 3.111 The President of PACE will receive copies of the Board agenda electronically on the Friday prior to any meeting of the Board as well as copies of the Board approved minutes within five (5) workdays of approval.
- 3.112 The Board of Education will provide copies of new board policies to the PACE President.
- 3.113 PACE shall be provided a minimum of one (1) hour during the new teacher orientation day.
- 3.114 All applications for grants which necessitate the waiver of any right, privilege, compensation or benefit whatsoever under the collective bargaining agreement

between the Board of Education and PACE must have the prior approval of PACE or such waiver shall not be effective.

3.12 PACE President

The President of PACE shall not be assigned home base or advisory responsibilities and he/she shall have no "duties" as that term is used to define non-instructional periods.

ARTICLE IV: MEMBER RIGHTS AND PROTECTION

4.01 No Discrimination - No Reprisal

- 4.011 The Board agrees that it will in no way discriminate against or between members covered by this Agreement because of their race, creed, religion, color, national origin, or ancestry, age, sex, marital status, or disability.
- 4.012 The Board and PACE agree that neither will discriminate against any member with respect to wages, hours, or any terms or conditions of employment, or take reprisals against any member for his participation or non-participation in concerted activities and/or membership or non-membership in PACE.
- 4.013 The Princeton City Board of Education agrees to uniformly apply all policies, rules, regulations and administrative rules and regulations to all members throughout the Princeton City School system.

ARTICLE V: EMPLOYMENT PRACTICES

5.01 Contracts

- 5.011 The limited contract is an agreement between the member and the Board of Education. A limited contract is binding for a specified length of time not to exceed three (3) years.
- 5.012 The continuing contract is an agreement between the member and the Board of Education. A continuing contract is binding until the member resigns, elects to retire, or until the member is terminated or suspended, pursuant to this Agreement.
- 5.013 A supplemental contract is a special form of limited contract and is an agreement between the member and the Board of Education whereby the member agrees to perform some particular duty or duties in addition to regular teaching duties in exchange for a specified additional compensation. It may supplement either a limited contract or a continuing contract. Supplemental contracts are binding for the term specified.

- 5.014 Letters of resignation will not be requested of new employees after the initial contract offer.

5.02 Sequence of Limited Contracts

- 5.021 A member employed pursuant to an individual limited contract shall, if such contract is renewed, be awarded a limited contract as follows:

- A. After the first (1st) year of continuous employment, a one (1) year limited contract;
- B. After the second (2nd) year of continuous employment, a one (1) year limited contract;
- C. After the third (3rd) year of continuous employment, a two (2) year limited contract;
- D. After the fifth (5th) year of continuous employment, a two (2) year limited contract;
- E. After seven (7) years of continuous employment, series of three (3) year limited contracts.

- 5.022 No member shall have a right to a continuing contract unless such member has given a request to be considered for a continuing contract by August 20. A member must complete the appropriate length of service and have the proper certification on file with the Superintendent's office. The purpose of this provision is to allow the Board sufficient time to conduct an evaluation prior to making the decision to grant or deny a continuing contract.

- 5.023
- A. Tutors holding appropriate teaching certificates and who qualify with length of service shall be granted a continuing contract as a tutor. Tutors employed pursuant to a continuing tutor contract shall have seniority as a tutor and shall have displacement rights over less senior tutors holding continuing contracts, and over tutors employed pursuant to a limited tutor contract.
 - B. A continuing tutor contract shall not be a guarantee of a number of students, or a guarantee of a minimum number of work hours.
 - C. Tutors shall have no right to displace classroom teachers, or other certificated personnel, except other tutors, during a reduction in force.

5.03 Contract Nonrenewal

The nonrenewal of a member's limited contract shall be governed by the applicable sections of the Ohio Revised Code. Any member employed under a limited service contract which is not to be renewed shall be notified in writing on or before May 15.

5.04 Joint Service Contract

Notwithstanding ORC 3319.08 any newly hired member to the district who is employed to teach and to perform extracurricular duties as head coach of football or girls' basketball or boys' basketball shall be employed on a joint service contract.

- 5.041 The Board shall enter into a written joint service contract for the employment and reemployment of such member. Such contract shall advise the member of the terms of this provision. Such contract shall be a limited contract for a term of one (1) year minimum, up to a maximum term of five (5) years. Such written contract shall specify the salary and compensation to be paid for teaching and coaching duties, either or both of which may not be diminished during the term for which the contract is made, except as provided in Sections 4.02, or 5.11 of this Agreement.
- 5.042 The joint service contract shall not be subject to the provisions of ORC 3319.11 or 3319.111. The provisions of both 3319.11 and 3319.111 are superseded and replaced by the provisions of this Agreement.
- 5.043 Should the Board wish to non-renew the joint service contract of a member, the Board shall notify the member in writing on or before May 15, including whether the non-renewal is based on the teaching duties of his or her contract or coaching duties. If the non-renewal is based on teaching duties, and the Board has not completed the evaluation procedure in Section 5.08 of this contract, the member is deemed to be reemployed on a one-year limited contract for the subsequent school year. If the non-renewal is based on performance of extracurricular duties, the member shall be entitled to a conference with the Superintendent to present information pertaining to the recommendation. The member shall have the right to be accompanied by a PACE Representative. This conference shall take place before the Board meeting at which the contract non-renewal will be enacted.
- 5.044 The non-renewal of a joint service contract for reasons related to teaching duties is governed by Section 5.03 of this Agreement. The non-renewal of a joint service contract for reasons related to the performance of extracurricular duties is not subject to appeal, grievance or arbitration.
- 5.045 A member employed under a joint service contract cannot resign from part of the responsibilities and retain employment under the remaining responsibilities, without the approval of the Board. A member resigning from either teaching, or

supplemental responsibilities without approval shall be deemed to have resigned from all employment.

- 5.046 Any current head coach on a Joint Service Contract may request to be permitted out of such agreement and remain as a teacher. The Board has the authority to allow the member to remain as a teacher. If granted by the Board, the teacher shall be given a two-year contract to teach and shall teach for those two years prior to being eligible to apply for a continuing contract regardless of how many years the teacher has been in Princeton.

5.05 Copy of Contract

- 5.051 The Board shall print one hundred fifty (150) copies of this Agreement for distribution to PACE. PACE shall pay one-half (1/2) of the cost of such printing. The contract will be available on the District website.
- 5.052 The Board shall print and distribute copies of all amendments and addendum to the Agreement to all members. PACE shall pay one-half (1/2) of the cost of such printing.

5.06 Transfers/Vacancies

- 5.061 A transfer is defined as a change in building assignment.
- 5.062 A member may submit a transfer request to the Human Resources Department for any vacancy which has been posted. The request shall specify the vacancy, the school, grade, certification, and subject/position sought. Receipt of the request for transfer shall be acknowledged by the Board.
- 5.063 Whenever possible, the Board shall notify a member of a transfer which is to be effective the following school year prior to August 1st.
- 5.064 Members transferred to fill vacancies occurring after August 1st shall be given as much advance notice as possible. A member involuntarily transferred after August 10 shall be given two (2) duty-free workdays to complete the transfer. Any member transferred after the commencement of the school year, whether voluntary or involuntary, shall be given two (2) duty-free workdays to complete the transfer. The Board agrees to notify the affected employees of the dates available for the duty-free workdays prior to the effective date of the transfer.
- 5.065 Members who are involuntarily transferred shall upon request be provided specific written reasons for the transfer.
- 5.066 The Board shall post on all designated bulletin boards, e-mail, and District website a notice of all member positions which are to be open in the following

school year. Members may apply for such positions by submitting a written request for a transfer to the Human Resources Department. Positions shall be posted for at least ten (10) working days prior to filling such positions. Members will be considered for the position prior to hiring a new employee.

- 5.067 During the summer months when regular school is not in session, the Board shall post in the Human Resources Department, the District web page, and all designated bulletin boards all positions which are to be filled and shall notify the PACE President of such positions. Positions shall remain posted at least fifteen (15) calendar days prior to being filled. Members may apply for such positions by submitting a request for a transfer to the Human Resources Department.
- 5.068 Vacancies occurring between August 1 and the first day of school shall be posted when they occur, but such vacancies may be filled at any time without regard to the posting period.
- 5.069 Involuntary transfer of members will be limited to two involuntary transfers in a four (4) year period. The Board reserves the right to transfer any member at any time in the event of licensure and/or Highly Qualified Teacher (HQT) requirements and/or limitations including, but not limited to the areas of ESOL, special education, gifted education and special areas.

5.07 Assignments

- 5.071 An assignment is a change in subject/grade level/position within a building. A member may be assigned to duties in any field in which the member holds a certificate.
- 5.072 The Board will make every effort to notify a member of a change in assignment for the following school year by June 15. PACE recognizes that last minute resignations, changes in enrollment, and transfers may make it impossible to give notice of a change in teaching assignment in every case. The Board will give as much advance notice as possible under the circumstances.
- 5.073 If an involuntary change of assignment is made after August 10, the member will be given two (2) duty-free workdays to prepare for the change of assignment. If a change of assignment voluntary or involuntary, is made after the commencement of the school year, the member will be given two (2) duty-free workdays to prepare for the change. The Board agrees to notify the affected members of the dates available for the duty-free workdays prior to the effective date of the change of assignment.

5.08 Addition of Responsibilities

Prior to requiring a member to undertake additional job duties or responsibilities which are in the nature of those duties and responsibilities and performed pursuant to a

supplemental contract, the Board shall advise PACE of the proposed change and negotiate concerning such change.

5.09 Evaluation Procedures

5.091 General provisions of the member evaluation procedure shall include the following:

- A. A uniform system, *The Danielson Framework for Teaching* (see Appendix L) shall be used for evaluating members.
- B. Members will be given specific written directions for improving their instructional and professional performance in a timely manner.
- C. Orientation of staff shall be:
 - 1. Within four (4) weeks from the 1st day of the evaluation year the evaluator shall hold an orientation meeting at which each member up for evaluation is required to attend. At this orientation meeting each member will be oriented to the procedures, process, criteria, instruments, and evaluation time-table.
 - 2. The orientation meeting will be offered in each building before or after-school hours within the teacher workday.
 - 3. All new members will receive copies of any Board adopted materials which become the basis for evaluation.
 - 4. At the orientation meeting members will receive copies of the forms to be used.

The District shall be responsible for hiring an independent member of the American Academy of Actuaries to set the funding and reserve levels of all benefits that are covered under the self insurance fund in consultation with the Committee.

The District's benefits consultant shall be jointly selected through a request-for-qualifications (RFQ) process. The PBC shall offer a recommendation for the continued employment of the consultant annually on the basis of an annual joint evaluation. The District's benefits plans will be selected through a formal request-for-proposal (RFP) process; the PBC shall review the RFP package that is sent out and all proposal responses received by the District.

Only one of the married members may receive family coverage either HMO or HDHP. When one member of a married couple signs up for the

family coverage the other member shall not be entitled to single coverage. When one member of a married couple signs up for family coverage the other member of a married couple is not eligible for the compensation under 8.10 Refusal of Insurance Stipend.

Savings associated with this Plan Design shall count toward \$500,000 in proposed Plan Design changes.

If the physician requests the more expensive drug, the member pays only the co-pay.

If a member requests a brand name drug when a generic is available, the member pays the difference between the cost of the generic and the brand as well as the brand co-pay, except in the case of approved step therapy.

If a member requests a non-formulary drug and a generic is available, the member must pay the difference between the cost of the non-formulary drug and the generic equivalent, as well as the non-formulary co-pay, except in the case of approved step therapy.

Single Plus One	\$1,200.00

The Board or the Insurance Plan will pay any prescription drug costs in excess of these amounts in a plan year.

It is the Board's and PACE's intent that the PACE Advisor and the PCSD Advisor will work collaboratively to recommend Health Insurance Plan design changes that will reduce insurance cost by \$500,000. In the event the PACE Advisor and the PCSD Advisor cannot reach consensus on Plan design recommendation, then each Advisor will make separate recommendations to the Princeton Health Benefits Committee (PHBC). Upon receiving the recommendations(s) the PHBC shall consider the options and make a Plan design change recommendation to the respective bargaining committees for ratifications. Failure to ratify Plan design changes will result in:

If plan design changes are not ratified by 4/1/12, Health Insurance Premiums shall be 83% Board paid/17% Employee paid effective 4/1/12.

(Health includes both medical and dental including Board's contribution rates to HSA.)

9.063 When either member in a job share wishes to end the job share arrangement, the steps for reassignment to full time shall be:

- A. The most senior job share member shall remain in the current classroom/grade/building that was shared.
- B. The least senior job share member shall be reassigned to any vacancy for which he/she is certified.
- C. If there are no vacancies, the Board shall institute Section 5.11– Reduction in Force. The least senior job share member has all rights contained in that section including bumping.

9.07 Dual Certification

Members commencing employment with the school district holding more than one certificate on the effective date of the member's employment, shall as a condition of continuing employment, maintain all certificates, and shall be required to renew all certificates once.

ARTICLE X: DISCIPLINE

10.01 Discipline

No member shall be disciplined, terminated or suspended without good and just cause including immorality, incompetency, and willful violations of the reasonable rules and regulations adopted by the Board.

10.011 All notices of disciplinary action, excluding termination, shall contain a statement that the notice has been served upon the member. Notices shall be

specific, and shall, to the extent possible, designate the specific rule or regulation which is violated or otherwise sufficiently apprise the member of the nature of the charge. A member receiving a notice of disciplinary action shall sign the notice and acknowledge receipt on the date of service. If the member refuses to sign the notice, said notice shall be considered received as of the indicated date of service. PACE shall be provided a copy of all notices of disciplinary action unless the member requests in writing that PACE not be notified.

- 10.012 A notice of termination shall be served by certified mail, return receipt requested. In addition to service by certified mail, the Board may serve a termination notice by personal service. PACE shall be provided a copy of all notices of termination.
- 10.013 If said notice is returned as undeliverable or refused, it shall be determined that the Board has met their obligation to notify. The date of service shall be deemed either the date received by certified mail or the date of personal service, whichever is later.

10.02 PACE Representation

The member shall have the right to request and have PACE representation at any meeting with an administrator in which the member is subject to questioning which may lead to disciplinary action against the member.

10.03 Pre-Disciplinary Hearing

- 10.031 A pre-disciplinary hearing shall be held prior to any disciplinary action to suspend or terminate any member, unless the member specifically waives the hearing in writing. The member must have advance notification of the purpose of the hearing, and shall have the right to have a PACE representative at the hearing. This section shall not apply in cases of nonrenewal, or any case in which no record is maintained of the supervisor's discussion with a member, even if the member might consider the discussion to be disciplinary in nature. No hearing shall be held sooner than twenty-four (24) hours after the notice has been served on the member.
- 10.032 A pre-disciplinary hearing shall not be necessary for oral reprimands for which a written record is maintained.
- 10.033 Nothing in this Section shall restrict the right of the Board to temporarily suspend a member for incidents which necessitate the member's immediate removal from the classroom. The member shall be advised of the reasons for removal from the classroom at that time. A pre-disciplinary hearing shall be held within three (3) working days of the suspension. The member shall have the right to have a PACE representative present at the hearing.

10.04 Disciplinary Procedure for Suspension and/or Termination

The Superintendent, or designee, shall give a member written notice of intent to recommend disciplinary action to the Board. This notice shall state the reason for such recommendation in terms sufficiently adequate to understand the charges against the member.

10.05 Appeal Procedure

All disciplinary actions as described in this article are subject to appeal exclusively through the grievance and arbitration provisions of this Agreement except contract nonrenewals. Statutory appeal rights set forth in Chapter 3319, ORC, shall not be applicable to members. Suspensions without pay and terminations may be appealed directly to arbitration without exhausting the steps of the grievance procedure. Evaluations may not be used by the Board as evidence in disciplinary arbitrations without independent supporting evidence.

ARTICLE XI: MANAGEMENT RIGHTS

11.01 Management Recognition

- 11.011 PACE recognizes that the Board is the legally constituted body responsible for the management, direction and control of all of the public schools of the Board and employees and other personnel employed by the Board, and for the determination of all resolutions, policies, practices, procedures, rules and regulations governing any and all aspects of the Board's school district.
- 11.012 PACE recognizes that all rights and responsibilities of the Board existing before the execution of this Agreement, including the following enumerated rights:
 - A. to determine matters of inherent managerial policy which include, but not limited to, areas of discretion or policy such as the functions and programs of the Princeton City School District, standards of services, the Board's overall budget, utilization of technology, and organizational structure;
 - B. to direct, supervise, evaluate or hire employees;

- C. to maintain and improve the efficiency and effectiveness of the Princeton City School District;
- D. to determine the overall methods, process, means, or personnel by which the operations of the Princeton City School District are to be conducted;
- E. to suspend, discipline, demote, or discharge for just cause, or layoff, transfer, assign, schedule, promote or retain employees;
- F. to determine the adequacy of the work force;
- G. to determine the overall mission of the Princeton City School District;
- H. to effectively manage the work force; and
- I. to take actions to carry out the mission of the Princeton City School District;

are retained by the Board, and that those rights, and responsibilities shall belong solely and exclusively to the Board during the term of this Agreement and all other agreements, except as may be expressly and specifically modified by the express terms of this Agreement.

11.02 Policies and Regulations

- 11.021 The Board agrees to provide PACE with copies of all new Board policies, resolutions, rules, procedures, and regulations that affect members.
- 11.022 Any wages, terms, and condition changes in resolutions, policies, rules, procedures, and regulations which affect members will be provided in writing to PACE within five (5) workdays of the change. Failure to provide this information shall be subject to the grievance procedure.

11.03 Integrity of Agreement

- 11.031 The Board and PACE agree that the terms and provisions contained in this written Agreement constitute the entire agreement between the parties and supersede all previous communications, understandings, or memoranda of understanding pertaining to any matters set forth in this Agreement or to any other matter.
- 11.032 The Board and PACE agree that during the negotiations which preceded this Agreement, each party had the unlimited right to make any demands or proposals and to bargain about each and every proposal made. The parties further agree that during the term of this Agreement, each voluntarily and

unqualifiedly agrees to waive its right to bargain with respect to any matter whatsoever, whether or not such matter is contained in this Agreement.

The parties agree that certain provisions of this Agreement are intended to supersede applicable or related State Law where the parties are permitted to do so under ORC 4117.10(A) and the following provisions of this savings clause shall not apply. Except as set forth above, should any provision of this Agreement be found to be void or invalid by a court of competent jurisdiction, the Board and PACE shall meet and renegotiate that provision. All other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement.

ARTICLE XII: DURATION

12.01 Term of Agreement

The provisions of this Agreement shall be in full force and effect from midnight June 1, 2011 to midnight June 30, 2014. Article VII, Section 7.01 shall be in effect until negotiations for a successor agreement are completed.
